

## Parent Portal

If you haven't accessed it yet, please log into the  
Golden Hills School  
Division Parent Portal.

Go to:

<https://sirs.myghsd.ca/homelogic>

Click on the parent section and go to New User. The information you enter to sign up as a new user needs to match with the information we have in our records in order for it to work.

**Please note** that when you put in your relationship to your child, use 'mother' or 'father' not 'parent' Let us know if you have any problems. You will only need to log in with one of your children's information. Your other children's information will show when you log in, as they are all connected to you as the parent. Once you have signed up, you will be sent a user name and password to the email address we have on file for you. Sign in with the user name and password sent to you and you will be able to change your password to one of your choice. If you ever forget your user name and password, contact either school office and we can set you up with a new one.

You will be able to see your child's grades, a detailed list of school fees owing and paid, as well as access your child's attendance daily.
