

# IGA Certificate Fundraiser

**We are very excited to announce that the IGA fundraising program is continuing this year. For all new families, and a reminder to current families, gift cards are sold at secondary office in denominations of \$50, \$100 and \$500. They can be purchased using cash, cheques and either your debit or credit cards. The cards are not redeemable for cash, have no service fees or expiry dates and operate on a declining balance basis. They can also be used at any Sobeys or IGA location within the Sobeys West territory (BC to Manitoba)**

**We receive 8% of all gift cards sold which is put towards our playground equipment fund. Please remember to stop by the office to purchase your gift cards on a regular basis.**

**Please note: you can purchase these cards as mentioned above, but the Society owns the debit/credit machine and they charge the school 2% of all credit card purchases. This cuts into our 8% profit. If possible, purchasing using another method other than a credit card is appreciated but not discouraged.**
